

## 6th Annual Short Course

### in Basic and Translational Virology | Preliminary Program

Baltimore, MD | July 28- August 3, 2019

#### Sunday, July 28

3:00 PM	Hotel Check In
6:00-8:00 PM	<b>Short Course Opening Dinner</b>

#### Monday, July 29

9:00-10:00 AM	<b>Yutaka Tagaya, MD, PhD, Institute of Human Virology</b> "Human T-cell leukemia virus-1, an exceptionally oncogenic retrovirus"
10:00-10:15 AM	Coffee break
10:15-11:15 AM	<b>Marv Reitz, PhD, Institute of Human Virology</b> "HIV Pathogenesis"
11:15-12:15 PM	<b>Robert Gallo, MD, Institute of Human Virology</b> "Human Retroviruses: HTLV and HIV: an Overview"
12:15- 1:15 PM	Lunch & group picture
1:15-2:15 PM	<b>Shyam Kottlil, MD, PhD, Institute of Human Virology</b> "Hepatitis C"
2:15-3:15 PM	<b>Christian Brechot, MD, PhD, Global Virus Network</b> "Hepatitis B"
3:15-3:30 PM	Coffee break
3:30- 4:30 PM	<b>Ab Osterhaus, DVM, PhD, University of Veterinary Medicine Hannover</b> "One Health"

**Tuesday, July 30**

8:15 AM	Transportation to Johns Hopkins Bloomberg School of Public Health
9:00-10:00 AM	<b>Diane Griffin, PhD, MD, Johns Hopkins Bloomberg School of Public Health</b> "Measles"
10:00-11:00 AM	<b>Jose Esparza, MD, PhD, Institute of Human Virology</b> "Vaccines"
11:00-11:30 AM	Break
11:30-12:30 AM	<b>Marcelo Jacobs-Lorena, PhD, JH Bloomberg School of Public Health</b> "Insectary Tour"
12:30-1:30 PM	Lunch
1:30-3:30 PM	<b>GVN Short Course Participant's research presentations</b>
3:30-4:30 PM	<b>Elyse Grossi-Soyster, MS, Stanford University School of Medicine</b> "New Emerging Leader presentation"
4:45 PM	Transportation to hotel

**Wednesday, July 31**

9:00-10:00 AM	<b>Niel Constantine, PhD, Insitute of Human Virology</b> "Laboratory diagnostics"
10:00-11:00 AM	<b>Kara Carter, PhD, EVOTEC</b> "Antiviral drug discovery"
11:30- 12:30 AM	<b>Robert Garry, PhD, Tulane University</b> "Ebola and Lassa fever"
12:30-1:30 PM	Lunch
1:30-2:30PM	<b>Konstantin Chumakov, FDA</b> "Polio and other Enteroviruses"
2:30-3:30 PM	<b>Richard H. Scheuermann, PhD, J Craig Venter Institute</b> Bioinformatics
3:30-4:00 PM	Coffee Break
4:00-5:00 PM	<b>Florian Krammer, PhD</b> "Influenza"

**Thursday, August 1**

7:00 AM	Transportation to NIH Main Campus, Bethesda, MD
8:30 AM	Arrival at NIH. Security Checkpoint
9:00-10:30 AM	<b>Vaccine Research Center</b>
11:00-12:15 PM	<b>National Library of Medicine</b>
12:30-1:30 PM	Lunch
1:45-2:30 PM	<b>NIAID and Fogarty Presentations</b>
2:30- 3:10 PM	<b>Veffa Franchini, MD, NCI</b> <i>TBA</i>
3:15- 4:15 PM	Travel to Baltimore

**Friday, August 2**

9:00-10:00 AM	<b>Christopher J. Kratochvil, MD, University of Nebraska Medical Center</b> "Biosafety and Biosecurity"
10:00-11:00 AM	<b>Man E. Charurat PhD, MHS, Institute of Human Virology</b> "Biosurveillance"
11:00-11:15 AM	<b>Coffee Break</b>
11:15-12:15 PM	<b>Clement Adebamowo, BM, ChB, ScD, FWACS, FACS, IHV</b> "Human Papilloma Viruses"
12:15-1:30 PM	Lunch
1:30-2:30 PM	<b>Scott Weaver, PhD, UTMB</b> "Arboviruses"
2:30-3:30 PM	<b>Gene Morse, PharmD,FCCP,BCPS, University of Buffalo</b> "Current Approaches to Antiviral Drug Development"
3:30-4:00 PM	<b>Natalia Mercer, PhD, Global Virus Network</b> "Overview of the Global Virus Network"
4:30-5:00 PM	<b>Participants vote for the next Emerging Leader in Medical Virology.</b> <b>Closing comments and course evaluation.</b>
5:30-7:30 PM	<b>Short Course Closing Dinner</b>

Saturday, August 3

Before noon	Hotel check-out
